These books are used all over the world by:
Individuals and professionals who wish to include the Rosary in their busy lives, including teachers in classrooms, RCIA classes, Rosary circles, Bible study groups, intercessory prayer groups, patients and caregivers, Eucharistic Adoration, First Holy Communion and Baptism gifts, stocking stuffers, Lenten baskets, and Mission trips.

The 1st edition of this book was printed in 2004 in black&white with a simple blue cover. Now, several editions later, it has full color with religious art from the old masters. This book is dedicated to the memory of my son Will, 1991-2002.
